**Re: Recommendation from the Economic Development Advisory Committee  
(EDAC), Wednesday, September 22, 2021**

Dear Ms. Manton

Please be advised that at the “Special” meeting held on Wednesday September 22, 2021 the Economic Development Advisory Committee (EDAC) put forward a motion for the following recommendation to Council:

**THAT the Economic Development Advisory Committee (EDAC) recognizes the importance of the Heritage Conservation District Study in Downtown Cambridge (Galt City Centre) currently being conducted by the City of Cambridge;**

**AND THAT the Economic Development Advisory Committee (EDAC) conditionally supports the original study area (not the expanded) boundary presented in the Heritage Conservation District Study;**

**AND FURTHER THAT the Economic Development Advisory Committee respectfully recommends that Cambridge Council supports the Heritage Conservation District Study in principle so long as future developments and redevelopments are not unduly hindered or delayed by any associated future study area criteria.**
