**Mayor and Councillors
City of Cambridge**

For the past two years, the Cambridge Arts & Cultural Advisory Committee has, with staff, reviewed and examined the Arts & Culture Master Plan line by line. Although it is still a work in progress, we fully support the plan and hope that it can be implemented as soon as possible.

The arts are not a mere recreational rifle, but essential to the development of any healthy and vibrant community.

Brad McEwen

**Chair
Cambridge Arts & Cultural Advisory Committee**
