Hello,

I am a resident on Queenston road, closer to Lowther.

We certainly approve an all way stop at Queenston and Westminster, however..

we have been reaching out to try to get an all way stop at Lowther and Queenston for 2 years.

Often this corner (Queenston and Lowther) is mistaken as a 4 way stop which is causing confusing and a lot of horns honking and breaks squealing and accidents.

My concern is, will having a 4 way stop at Westminster increase the confusion at lowther st. And other streets on Queenston and the neighborhood?

Some areas being all way and some being 2 way, may continue or increase confusion.

Does this all way stop take into consideration the flow of traffic etc through nearby roads and intersections?

We are all for less accidents and more all way stops, or more signage indicting only a 2 way stop.

Thank you

Cailey Bradshaw

Queenston road resident
