

THE POWER OF BUILDING A FIELD FOR EVERYONE

VISIBILITY MATTERS. WE MATTER

EMBRACE THE PURPOSE:

EVERY PLAYER MATTERS

From the little league to the AAA, every player has a right to play

Working together is crucial to the success of our community

CHANGE NEEDS TO HAPPEN

CURRENT FIELD CONDITIONS

Washed out walkway and fields

These circumstances are unacceptable to any player, yet they indicate that we are neither welcome nor deserving of the investment.

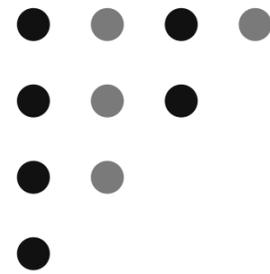

A chance to shine.

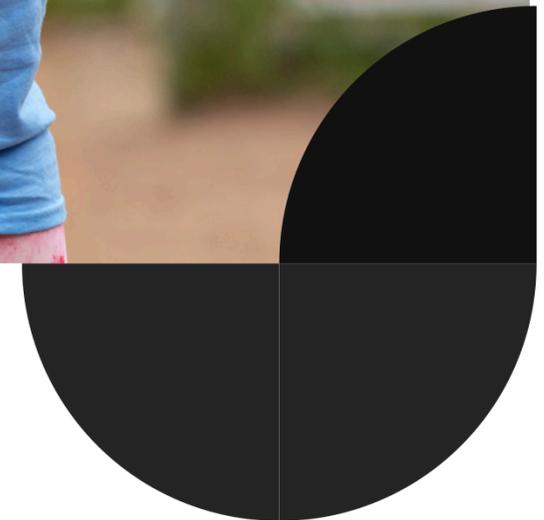

We have a chance to create something that caters to abilities.

BUILDING A **COMMUNITY**

Communication, trust, and mutual support are the pillars of successful teamwork in baseball.

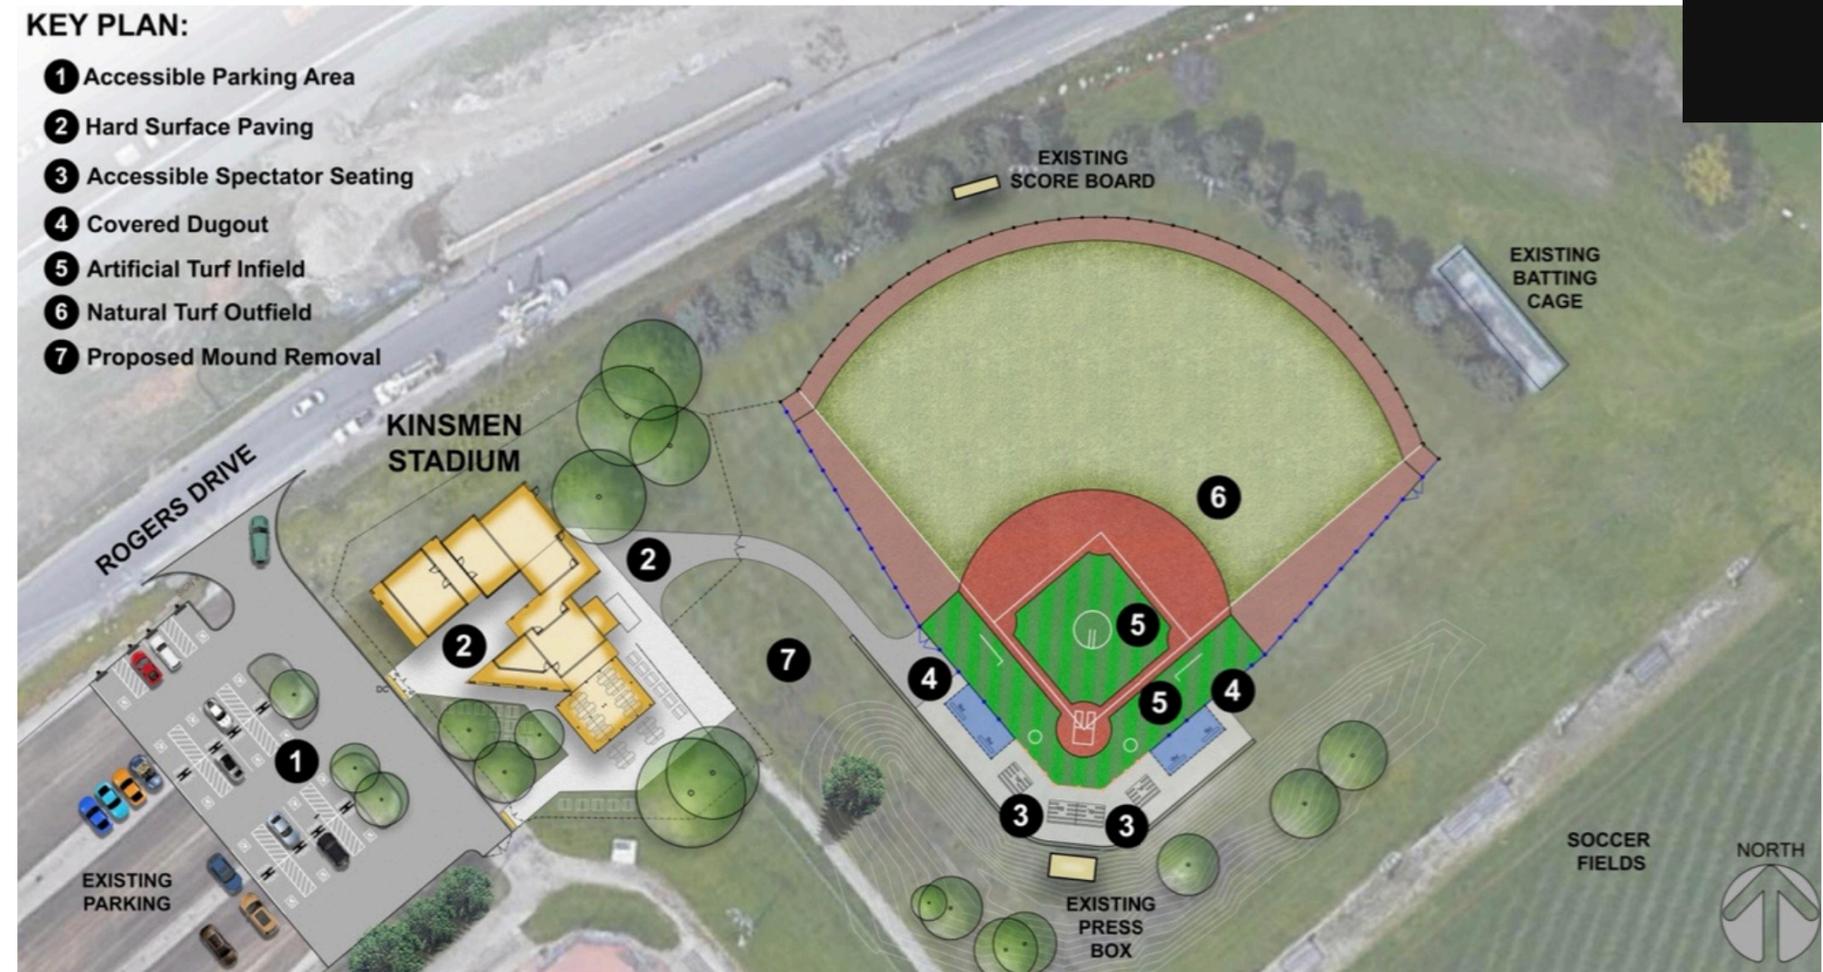

UNITED VISION

OUR GAME IS ON THE LINE

Our game is at stake! Collaboration keeps us centered and united as we strive to turn this vision into reality.
