

<b>Item</b>	Motion re: Beverages in Council Chambers
<b>Mover</b>	Councillor Shwery
<b>Secunder</b>	Councillor Kimpson

**WHEREAS** Council meetings are often lengthy and may extend for several hours without scheduled breaks;

**AND WHEREAS** the council chambers are maintained in a very dry condition, which may cause discomfort or dehydration for attendees during extended meetings;

**AND WHEREAS** there are currently no drinking water fountains available within the council chambers or in adjacent public areas;

**AND WHEREAS** access to beverages is necessary for the health and well-being of attendees, particularly elderly individuals and those who take medications that require fluids at prescribed times;

**AND WHEREAS** allowing beverages in closed, spill-proof containers would not disrupt council proceedings or pose a risk to council facilities;

**NOW THEREFORE BE IT RESOLVED THAT** as part of the Procedure By-law Review, staff be directed to remove the provision preventing members of the public and media from bringing beverages into Council Chambers.
