I have been informed by my insurance agent that if this house is designated as a heritage home that my insurance costs could rise by as much as \$1000 to \$1500 per year and that many companies won't offer insurance coverage at all. This increase in cost will be unaffordable to me and I will have to sell and move away from the neighbourhood I have lived in for nearly 50 years. I understand that other houses have been removed from the heritage list for this reason. I believe my house should also be removed from the list so I can continue to live in the neighbourhood that I have enjoyed and contributed to for a long time. Please submit this for council's consideration.

Sincerely,  
Donald Bridgman
