Committee of Adjustment for the Corporation of the City of Cambridge

The purpose of the applications is to facilitate the severance of a portion of 42 McNaughton St, creating 1 new residential property.

The Committee deferred the application in September 2025. The application returned to the Committee in October 2025 and was deferred again for up to 90 days to allow the applicant to have further consultation with staff.

New plans have been submitted with adjustments to the lot configuration. The revised severance reduces the number of new lots proposed, resulting in changes to the lot frontage variances proposed.

be **approved**, subject to the following conditions:

1. That a draft reference plan showing the severed and retained lands be prepared by a qualified surveyor and submitted to the City for approval prior to being deposited at the Land Registry Office. The reference plan shall be deposited at a Land Registry Office and a copy shall be provided to the City;
2. That a legal survey be submitted showing the existing property boundaries, existing easements, existing dwelling, existing hydro pole(s), anchors, secondary hydro wire-feed to the existing dwelling, proposed severance, proposed dwellings, proposed driveway, proposed electric plant. The survey must include dimensions. **The Applicant is cautioned that a minimum clearance between the proposed driveway entrance and existing poles, guy wires and anchors is 1.5 metres.** Please note, a legal plan, which does not satisfy these requirements will be returned for revision and the process will be delayed;
3. That a servicing plan be prepared, to the satisfaction of City of Cambridge Development Engineering, detailing the location of the existing and proposed services for each lot;
4. That a grading plan be prepared, to the satisfaction of City of Cambridge Development Engineering, for the overall development, including proposed locations of roof leaders, rear yard catch basins (if required) and swales;
5. That the applicant obtain an access permit to remove the southerly driveway access, and demonstrate the removal works, any curb and boulevard restoration has been completed to the satisfaction of Transportation Engineering;

6. That the applicant submits a spatial separation report to the satisfaction of the Building Division to verify that the requirements of the Ontario Building Code are met for the amount of unprotected opening area (or window area for single family dwellings) permitted to face the new property lines;
7. That the applicant verifies the location of any existing sanitary, storm and water services on the property to the satisfaction of the Building Division in order to confirm that no services will cross over any proposed property lines or are shared with any adjacent properties;
8. That the applicant provide the City with a clearance letter from Grand Bridge Energy confirming that any servicing connections and infrastructure relocations required for the retained and severed lots have been completed, or that other satisfactory arrangements have been made between Grand Bridge Energy and the applicant;
9. That the above conditions must be fulfilled and the document for conveyance be presented with the required fee for signing on or before March 11, 2028, after which time this consent will lapse.
