Re: Pedestrian Improvements and Parking / Stopping Restrictions on Brooklyne Road

Dear Jason,

On behalf of the St. Peter CES school community and the Waterloo Catholic District School Board, we are writing to express our support for the pedestrian improvements proposed on the east end of Brooklyne Road as outlined in your letter to residents dated May 12, 2022.

Staff from the school, board, city, and Student Transportation Services of Waterloo Region have been working for several years to assess opportunities for improving pedestrian connections to this school and address vehicular access issues which complicate efforts to support active school travel.

We are excited by the collaborative effort to provide a more welcoming pedestrian realm close to the school site and look forward to having improvements in place for the start of the 2022/23 school year.

Sincerely,  
Waterloo Catholic District School Board

Jennifer Passy, BES, MCIP, RPP  
Manager of Planning
