## MISSISSAUGA

RESOLUTION 0155-2021  
adopted by the Council of  
The Corporation of the City of Mississauga  
at its meeting on June 30, 2021

0155-2021

Moved by: P. Saito

Seconded by: C. Parrish

**WHEREAS** The City of Mississauga operates on the Treaty and Traditional Territory of the Mississaugas of the Credit First Nation and Anishinaabe peoples, the Haudenosaunee Confederacy and the Huron-Wendat First Nation. We recognize that these peoples, and their ancestors live and lived on these lands since time immemorial on these lands called Turtle Island. The City of Mississauga is home to many First Nations, Métis and Inuit peoples; and

**WHEREAS** the residents of the Town, now City, of Mississauga chose for their name an anishinaabemowim name which speaks to the shared settler and Indigenous history within these lands; and

**WHEREAS** the City of Mississauga has committed to a path towards Reconciliation with Indigenous Peoples and has responded to the Truth and Reconciliation Commission's Calls to Action; and

**WHEREAS** the City of Mississauga is committed to speaking truths about our history to further our collective understanding of the past to help create a better future; and

**WHEREAS** the terrible uncovering of over one thousand unmarked and forgotten children burials at residential schools which have been reported over the past month is a truth about Canada's past; and

**WHEREAS** because of these truths the government of Canada has declared this year's Canada Day should be a time of reflection and focus on reconciliation; and

**WHEREAS** Gimaa Stacey LaForme of the Mississaugas of the Credit First Nation has called for this to be a time for supporting each other and contemplating the legacy and future of Canada; and

**THEREFORE BE IT RESOLVED** that the City of Mississauga will mark Canada Day virtually this year in a manner that provides an opportunity for reflection on our shared history and commitment to a better future:

- Singing of National Anthem
- Greetings and Opening Remarks, Mayor Bonnie Crombie
- Comments from Mayor of Kariya, Japan Takeshi Inagaki
- Comments from Gimaa Stacey LaForme
- Oath of Reaffirmation performed by Members of Council
- Closing Remarks, Mayor Bonnie Crombie
- Lighting the Clock Tower orange to remember those lives lost and changed forever as a result of residential schools

- Changing the digital signage at the Square to “As we mark Canada Day, the City of Mississauga stands in solidarity with Indigenous communities across Canada.”

**AND FURTHER** to mark this Canada Day:

That the Council of the City of Mississauga call upon the Government of Canada to terminate its appeal of the 2019 Human Rights Tribunal Ruling, ordering Ottawa to pay compensation to First Nations Children and their families, separated in a chronically underfunded child welfare system that sees Indigenous children making up more than half the children in foster care even though they comprise only 7% of all the children under the age of 15 in Canada.

**AND** That this Resolution be sent to all municipalities in Canada.

**Re: Lottery Licensing to Assist Small Organizations**

Please be advised that at a recent meeting held on May 10, 2021 Gore Bay Council reviewed your letter requesting support in lobbying the Ministry of the Attorney General to implement an additional level of licensing to permit small organizations to hold fundraisers that support our communities and organizations.

The Town of Gore Bay, being a small community, agrees that small organizations are the foundation of rural Ontario with their countless hours of volunteerism. We feel that they should be entitled to a lottery license if the proceeds benefit the community.

The Corporation of the Town of Gore Bay fully supports your efforts. Please find attached a certified true copy of Resolution No. 15054 indicate the Town of Gore Bay's support.

## RESOLUTION #68-2021

Moved By: Councillor Livingston  
Seconded By: Deputy Mayor Maxwell

To pass a Resolution that;

WHEREAS at the Municipal Heritage Advisory Committee Meeting held May 20, 2021, Resolution #12-2021 was passed regarding cemetery funding;

AND WHEREAS Municipalities in Ontario have been made responsible for abandoned cemeteries within their boundaries, and are required by the *Funeral, Burial and Cremation Services Act, 2002* "to ensure that the cemetery grounds, including all lots, structures, and markers, are maintained to ensure the safety of the public and to preserve the dignity of the cemetery;

AND WHEREAS cemeteries are not only symbols of respect, preserving the memory of families, prominent citizens, and local history; some cemeteries are landmarks in themselves and hold great historical value worldwide;

AND WHEREAS preservation repairs to older cemeteries are very costly, requiring the specialized services of stonemasons and archeologists;

AND WHEREAS the care and maintenance funds of abandoned cemeteries are generally non-existent or so small as to produce insufficient annual interest to cover even the cost of lawn care at the site;

NOW THEREFORE the Council of The Corporation of the Township of Rideau Lakes hereby Urges the Government of Ontario to immediately provide funding sources for Municipalities for the ongoing maintenance and preservation repair of abandoned cemeteries in their care;

AND FURTHER that this Resolution be forwarded to the Bereavement Authority of Ontario, the Minister of Government and Consumer Affairs, the Rural Ontario Municipal Association (ROMA), and MPP Steve Clark.

**Re:** Support for 988 a 3 digit suicide and crisis prevention hotline

Please be advised that on June 2, 2021, The Council of the Municipality of Hastings Highlands passed the following motion endorsing the 988 crisis line initiative to ensure critical barriers are removed to those in a crisis and seeking help.

## **Resolution 219-2021**

Whereas the Federal government has passed a motion to adopt 988, a National three-digit suicide and crisis hotline; and

Whereas the motion calls for the federal government to consolidate all existing suicide crisis numbers into one three-digit hotline; and

Whereas the ongoing COVID-19 pandemic has increased the demand for suicide prevention services by 200%; and

Whereas existing suicide prevention hotlines require the user to remember a 10-digit number and go through directories or be placed on hold; and

Whereas in 2022 the United States will have in place a national 988 crisis hotline; and

Whereas the Municipality of Hastings Highlands recognized that it is a significant and important initiative to ensure critical barriers are removed to those in a crisis and seeking help;

Now Therefore Be It Resolved as follows:

1. That the Municipality of Hastings Highlands endorses this 988 crisis line initiative.
2. That a letter demonstrating Hastings Highland's support be sent to Daryl Kramp MPP, Derek Sloan MP, the Honourable Patty Hajdu, Federal Minister of Health, the Canadian Radio-television and Telecommunications (CRTC) and all municipalities in Ontario.

Dear Honourable Steve Clark,

Further to the meeting of Council on May 11<sup>th</sup>, 2021 the Council of the Corporation of the Township of Lanark Highlands passed the following motion to support the City of Kitchener's resolution regarding Planning Act timelines;

**"THAT**, Council support the resolution by the City of Kitchener regarding Planning Act timelines;

**WHEREAS** the Province of Ontario's Planning Act provides a legislative framework for processing development applications including established timeframes which permit applicants to appeal to the Local Planning Appeal Tribunal if a Council fails to make a decision within a prescribed timeline; and,

**WHEREAS** the passing of Bill 108 in 2019 reduced the timelines for processing development applications before they can be appealed to the Local Planning Appeals Tribunal (LPAT) for a non-decision from those outlined in Bill 139, the Building Better Communities and Conserving Watersheds Act, 2017 as follows:

- from seven months (210 days) to four months (120 days) for Official Plan amendments;
- from five months (150 days) to three months (90 days) for Zoning By-law amendments; and
- from six months (180 days) to four months (120 days) for Plans of Subdivision; and

**WHEREAS** the shortened timeframes create unreasonable pressures on municipalities, even outside the context of navigating city business in a global pandemic, and result in reduced opportunities for meaningful public engagement and limited time for the public to provide written submissions on a development application;

**THEREFORE BE IT RESOLVED** that Lanark Highlands Township Council urge the Province of Ontario to review and reconsider the current timelines established for review of Planning Act applications before an appeal is permitted to the Local Planning Appeals Tribunal and to return to the timelines that were in effect under Bill 139, the Building Better Communities and Conserving Watersheds Act, 2017;

June 11, 2021

In 2021, the Ministry of Natural Resources and Forestry (MNRF) will once again be conducting Oral Rabies Vaccine (ORV) bait distribution and trap-vaccinate-release (TVR) programs in Ontario. Baiting and TVR operations will begin June 28 and continue until the end of October.

The ministry's rabies control operations are essential to public health and to the health of wildlife. With the current COVID-19 outbreak, additional health and safety measures have been put into place using the best available information from Public Health Ontario to deliver this program safely and minimize risks to staff, the public, and wildlife. The ministry will continue to re-evaluate as the response to the COVID-19 outbreak continues.

Please find attached:

- 1) Map of planned baiting area for 2021
- 2) Rabies Vaccine Bait Information Sheet

Per the attached map, rabies vaccine bait distribution will be conducted in rural areas with MNRF aircraft and by hand in urban areas by MNRF wildlife technicians. These are the details of bait distribution work in 2021 (dates are subject to change depending on weather conditions):

- Grey shaded areas will be completed with a combination of Twin Otter airplane and Eurocopter EC130 helicopter. Twin Otter flights will occur from August 16 through to August 22, with Eurocopter EC130 flights occurring August 9 to 13.
- Urban hand baiting, including the use of temporary bait stations, will occur in the brown shaded areas starting June 28 and continue through to the end of October.
- Live trapping and vaccinating wildlife (trap-vaccinate-release) will occur in the areas surrounding Hamilton shaded in yellow starting June 28 and will continue through to the end of October.
- Preventative baiting of the purple shaded areas in eastern Ontario will take place in early August and will take one day to complete.

In addition to the activities mentioned above, MNRF may conduct localized rapid response baiting and trap-vaccinate-release measures, which would take place in the event of a raccoon or fox strain rabies case outside of the planned baiting area.

The ministry is committed to the research, surveillance, control and elimination of the outbreak of rabies in southwestern Ontario to prevent the disease from spreading. Since the start of the rabies

outbreak in 2015, the first of its kind in over a decade, MNRF has taken quick action to protect communities, distributing over six million vaccine baits by air and ground. Rabies cases have decreased by about 50% each year since 2016, and there was a 70 per cent decrease in the number of rabies cases in 2020 from 2019.

In keeping with current World Health Organization guidelines, the 2021 rabies control zone has been reduced as some areas have had no reported cases in over two years. The control zone encompasses an area within 50 km of positive cases that are less than years old (positive cases since July 1, 2019).

Any warm-blooded mammal can contract rabies. If a human contracts rabies and does not receive treatment, the disease is fatal.

The khaki-green coloured bait being distributed by hand and by aircraft is made of wax-fat with an attractant flavour (vanilla-sugar). A label with a toll-free telephone number (1-888-574-6656) and the message “Do not eat” is located on the exterior of the bait, and a plastic package containing the liquid rabies vaccine is embedded in the centre. If found, the bait should not be touched, but left for raccoons, skunks and foxes to consume. (See attached bait identification hand out for detailed description.)

Ontario’s rabies vaccine baits have been tested to ensure they are safe for wildlife, people and pets. However, eating a vaccine bait does not replace the regular rabies vaccination provided by a veterinarian for your pet. If your pet has eaten a bait and you are concerned, contact your vet as a precaution.

Ontario’s rabies control program is a joint effort that receives important input and contributions from a variety of partners across the province. Partnerships with provincial ministries, federal agencies, regional health units, municipalities, wildlife rehabilitators, licensed trappers, wildlife control agents and Indigenous communities are all key to the continued success of Ontario’s rabies control program.

# Rabies vaccine bait identification

July 2020

The Ultra-lite vaccine bait, ONRAB®, is used in Ontario for both fox strain and raccoon strain rabies control. Exposure to the bait is not harmful to people or pets; however, in the unlikely event that people or pets come in contact with the vaccine contained in the bait, contacting a doctor or veterinarian as a precaution is recommended.

## Bait Ingredients

The bait formula coats the blister pack containing the vaccine. This formula consists of vegetable based fats, wax, icing sugar, vegetable oil, artificial marshmallow flavour and dark-green food grade fat-soluble dye.

## Ultra-lite blister-pack (Vaccine Carrier)

This is a polyvinyl chloride (PVC) blister pack (40 mm x 22 mm x 10 mm) which weighs approximately 4.3 grams. The blister pack is a white/clear polyester flocked container with a heat-sealed laminated polyester lidding. The body of the blister pack is embedded in the bait matrix but the green lidding is exposed and has a black warning label printed on it.

## Vaccine inside Baits

ONRAB® oral rabies vaccine

Description: a recombinant live virus liquid vaccine

Volume/bait:  $1.8 \pm 0.1$  ml in the blister pack

Other inclusions: vaccine stabilizers

Colour: clear

Target species: skunk, fox, and raccoon

**Re: Drainage Matters and the Canadian National Railway**

At the Regular Council Meeting of the Township of Havelock-Belmont-Methuen Council received the resolution sent by the Municipality of Southwest Middlesex on December 7, 2020 in regards to drainage matters and the current working relationship with the Canadian National Railway (CNR) and passed the following resolution:

R-009-21      Moved by Deputy Mayor Gerow  
                    Seconded by Councillor Ellis

That staff are hereby directed to send correspondence supporting the resolution from the Municipality of Southwest Middlesex regarding drainage matters on Canadian National Railway lands.

Carried

While the Township of Havelock-Belmont -Methuen does not have dealings with CN Rail, but rather with the Canadian Pacific Railway (CPR), the Township has experienced similar delays with drainage projects and agree that the situation with the major railway companies and municipalities needs to improve. Council directed staff to send correspondence in support for your resolution.

A copy of the above noted resolution from the Municipality of Southwest Middlesex is attached for your reference. Your consideration of this matter is respectfully requested.

December 7, 2020

Please be advised that the Council of Southwest Middlesex passed the following resolution at its November 25, 2020 Council meeting:

Drainage Matters: CN Rail

Moved by Councillor McGill

Seconded by Councillor Vink

“WHEREAS municipalities are facilitators of the provincial process under the *Drainage Act* providing land owners to enter into agreements to construct or improve drains, and for the democratic procedure for the construction, improvement and maintenance of drainage works; and

WHEREAS municipal drain infrastructure and railway track infrastructure intersect in many areas in Ontario; and

WHEREAS coordination with national railways is required for the construction or improvement of drains that benefit or intersect with national railways; and

WHEREAS the national railways have historically participated in the process for construction, improvement and maintenance of drainage works; and

WHEREAS currently municipalities are experiencing a lack of coordination with national railways on drainage projects; and

WHEREAS the lack of coordination is resulting in projects being significantly delayed or cancelled within a year; and

WHEREAS municipal drains remove excess water to support public and private infrastructure and agricultural operations;

THEREFORE be it resolved that the Province of Ontario work with the Federal Minister of Transportation to address concerns regarding municipal drainage matters and need for coordination with the national railways; and

THAT Council circulate the resolution to the Provincial Ministers of Agriculture, Food, and Rural Affairs, and Municipal Affairs and Housing, and the Federal Minister of Transportation, the local MP and MPP, the Association of Municipalities of Ontario, and all municipalities.”

Premier Doug Ford  
Legislative Building, Queens Park  
Toronto, ON M7A 1A1

Dear Premier Ford:

Speeding on provincial, county and municipal roadways continues to put the lives of Ontarians at risk. While we have access to several tools to help mitigate speeding traffic, the one tool that is currently not fully available to us is Automatic Speed Enforcement (ASE) (aka Photo Radar). Over the past decade, in South West Oxford the vast majority of charges laid are for drivers travelling well in excess of the posted speed limit. The cost of providing police time for something that could be done through the use of technology is disturbing to our council. The Council feels that it would be far more effective to have police concentrate on other problems such as Break and Enters, illegal drugs and domestic problems.

We need a way to address the poor behaviours and habits that are putting our citizens at risk and tying up much needed first responder resources that could be better utilized to improve the well-being of our communities. Speeding, particularly through our small villages, creates community concerns for the safety and wellbeing of our children and other vulnerable members. We need your help.

In keeping with this The Council of the Township of South-West Oxford duly moved and carried the following resolution at the regular meeting held on January 5, 2021:

*...RESOLVED that the Council of the Township of South-West Oxford provide direction to the Clerk to send a letter to the Premier, MPP Ernie Hardeman, AMO and all Ontario municipalities in support of the use of Automatic Speed Enforcement (photo radar) by municipalities.*

Please help municipalities in the Province by passing the necessary regulations for municipalities to use ASE (if they choose) that will bring about the driving behavioural changes we need.

We look forward to your help with this issue.

Yours truly,

RE: Insurance Rates Resolution

Please be advised that the Council of the Municipality of Grey Highlands, at its meeting held January 20, 2021, passed the following resolution:

**2021-39**

**Moved by Tom Allwood, Seconded by Aakash Desai**

**Whereas the cost of municipal insurance in the Province of Ontario has continued to increase – with especially large increases going into 2021; and**

**Whereas Joint and Several Liability continues to ask property taxpayers to carry the lion's share of a damage award when a municipality is found at minimum fault; and**

**Whereas these increases are unsustainable and unfair and eat at critical municipal services; and**

**Whereas the Association of Municipalities of Ontario outlined seven recommendations to address insurance issues including:**

- 1. The provincial government adopt a model of full proportionate liability to replace joint and several liability.**
- 2. Implement enhancements to the existing limitations period including the continued applicability of the existing 10-day rule on slip and fall cases given recent judicial interpretations and whether a 1 year limitation period may be beneficial.**
- 3. Implement a cap for economic loss awards.**
- 4. Increase the catastrophic impairment default benefit limit to \$2 million and increase the third-party liability coverage to \$2 million in government regulated automobile insurance plans.**
- 5. Assess and implement additional measures which would support lower premiums or alternatives to the provision of insurance services by other entities such as nonprofit insurance reciprocals.**
- 6. Compel the insurance industry to supply all necessary financial evidence including premiums, claims and deductible limit changes which support its own and municipal arguments**

**as to the fiscal impact of joint and several liability.**

**7. Establish a provincial and municipal working group to consider the above and put forward recommendations to the Attorney General;**

**Now therefore be it resolved that the Council for the Municipality of Grey Highlands call on the Province of Ontario to immediately review these recommendations and to investigate the unethical practice of preferred vendors who are paid substantial amounts over industry standards, despite COVID 19 delays, as insurance premiums will soon be out of reach for many communities and**

**Be it further resolved that this motion be provided to the Honourable Doug Ford, Premier of Ontario, the Honourable Peter Bethlenfalvy, Minister of Finance, the Honourable Doug Downey, Attorney General of Ontario, the Honourable Bill Walker, MPP for Bruce - Grey - Owen Sound, and all Ontario municipalities.

**RE: Bill 228 - Banning unencapsulated Polystyrene Foam**

**WHEREAS** unencapsulated expanded and extruded polystyrene foam (PS foam) is a common and economical product used for dock flotation; and

**WHEREAS** unencapsulated PS foam, when used as floatation, deteriorates and breaks down through exposure to water, sunlight and chemicals (gasoline, oil & other contaminants), as well as from animals and physical impacts from boats and other debris; and

**WHEREAS** the environmental impacts associated with the breakdown of unencapsulated PS foam are significant. PS foam is one of the top items of debris found on shorelines, beaches, and surface water around the world. Widespread and global contamination has resulted in PS foam being found in the gut contents of wildlife, including in the Great Lakes - St. Lawrence River Basin. PS foam causes adverse effects to wildlife when ingested. Laboratory experiments show negative impacts of PS foam on feeding behaviour, growth, hepatosomatic index (HSI), and reproduction. Under certain conditions, PS foam leaches known toxics styrene and benzene. Floating particles of PS foam also has aesthetic impacts on shorelines and waterways; and

**AND WHEREAS** there is no Federal legislation in Canada regulating the use of unencapsulated expanded polystyrene foam (EPS) for docks to date. However, on May 13, 2021, the Province of Ontario passed *Bill 228: Keeping Polystyrene Out of Ontario's Lakes and Rivers Act*, to regulate and control its use for floats; and

**NOW THEREFORE BE IT RESOLVED** that the Great Lakes and St. Lawrence Cities Initiative (Cities Initiative) recognizes the need for PS foam to be encapsulated when used for flotation; and

**BE IT FURTHER RESOLVED** that the Cities Initiative and its members call on the Federal Government of Canada (Ministries of Fisheries and the Environment) the Province of Ontario (Ministry of Natural Resources & Forestry, Ministry of Environment, Conservation & Parks), the Province of Quebec, The United States (U.S.) Federal Government, and the U.S. States of New York, Pennsylvania,

Ohio, Indiana, Michigan, Illinois, Wisconsin and Minnesota to work in collaboration with each other to enact laws which:

1. ban unencapsulated polystyrene (PS) products in all new and replacement public and private floating facilities across the Great Lakes Region and the coasts of Canada and the United States;
2. find common standards of defining encapsulation with the goal of zero emissions of PS foam;
3. require the timely transition to approved encapsulated PS products, for all public and private floating facilities currently using unencapsulated PS foam; and
4. require the proper disposal of all unencapsulated expanded polystyrene (EPS) products currently being used for dock flotation.

**BE IT FINALLY RESOLVED** that Council for the Corporation of the Township of The Archipelago directs its staff to submit this resolution to the Great Lakes St. Lawrence Cities Initiative; and forward this resolution to all municipalities in the Great Lakes watershed and to Federal and Provincial Representatives.

**Carried.**

#### **Re: Capital Gains Tax on Primary Residence**

The Municipal Council of the Town of Fort Erie at its meeting of May 31, 2021 passed the following resolution:

**Whereas** primary residences are currently exempt from a capital gains tax, and

**Whereas** currently secondary and additional non-primary properties are subject to capital gains, and

**Whereas** the Federal Government is currently looking into a primary residence capital gains tax as they have recognized that affordable housing has become a serious issue in Canada, and

**Whereas** smaller communities including the Town of Fort Erie are seeing unprecedented higher selling prices that are outpacing prices in larger cities, and

**Whereas** many hard-working Canadians who have only a primary residence with no additional non-primary homes count on their home equity as financial aid to apply to upsizing or downsizing their home depending on their personal situation, and

**Whereas** a change in taxation to primary residences would be a significant financial blow to Canadians and would create an unfair, two-tiered taxation which could lead to depleted savings, inter-generational disparities, disparities among diverse groups such as seniors who may have a significant portion of their savings vested in their primary residence, as well as, reducing the ability of home ownership thereby a further, higher need for rentals, and

**Whereas** the Federal government could look at other means to slow down the rapidly escalating housing costs to improve housing affordability;

**RE: Road Management Action On Invasive Phragmites**

**WHEREAS** *Phragmites australis* (*Phragmites*) is an invasive perennial grass that continues to cause severe damage to wetlands and beaches in areas around the Great Lakes including Georgian Bay; and

**WHEREAS** *Phragmites australis* grows and spreads rapidly, allowing the plant to invade new areas and grow into large monoculture stands in a short amount of time, and is an allelopathic plant that secretes toxins from its roots into the soil which impede the growth of neighboring plant species; and

**WHEREAS** *Phragmites australis* results in loss of biodiversity and species richness, loss of habitat, changes in hydrology due to its high metabolic rate, changes in nutrient cycling as it is slow to decompose, an increased fire hazard due to the combustibility of its dead stalks, and can have an adverse impact on agriculture, particularly in drainage ditches; and

**WHEREAS** invasive *Phragmites* has been identified as Canada's worst invasive plant species by Agriculture and AgriFood Canada; and

**WHEREAS** the Ontario government has made it illegal to import, deposit, release, breed/grow, buy, sell, lease or trade invasive *Phragmites* under the Invasive Species Act; and

**WHEREAS** *Phragmites* occupy over 4,800 hectares of land around Lake St. Clair alone, while 212 hectares of *Phragmites* occupy land along the St. Lawrence River. The Georgian Bay Area is particularly affected by *Phragmites australis*, with more than 700 stands along the shorelines and multiple visible stands on the highways and roads that threaten valuable infrastructure and wetland areas; and

**WHEREAS** volunteers, non-governmental organizations, and various municipalities have invested tens of thousands of dollars in investments and labour annually for more than eight years in executing managements plans to control invasive *Phragmites* on roads, coasts, shorelines and in wetlands; and

**WHEREAS** roads and highways where *Phragmites* that are left untreated become spread vectors that continually risk new and treated wetlands and coastal shoreline areas; and

**WHEREAS** according to “Smart Practices for the Control of Invasive Phragmites along Ontario’s Roads” by the Ontario Phragmites Working Group, best road management practices for Phragmites australis include early detection, herbicide application, and cutting; and

**WHEREAS** these best management practices are most effective when used in a multi-pronged approach as opposed to when used as stand-alone control measures; and

**WHEREAS** mother nature does not recognize political boundaries. Therefore, it is imperative that Municipalities, Districts, the Province, and the Federal government work together in collaboration to eradicate Canada’s worst invasive plant species Phragmites australis;

**NOW THEREFORE BE IT RESOLVED** that Council for the Corporation of the Township of The Archipelago directs its staff to implement best management practices to promote early detection of invasive Phragmites, and to implement best management practices for invasive Phragmites, and to join the Ontario Phragmites Working Group to collaborate on the eradication of Phragmites in Ontario.

**BE IT FURTHER RESOLVED** that Council for the Corporation of the Township of The Archipelago directs staff to insert clean equipment protocols into tenders and that there is oversight that the protocols are followed; and

**BE IT FURTHER RESOLVED** that Council for the Corporation of the Township of The Archipelago requests the Ontario Ministry of Transportation to map and treat invasive Phragmites annually on all its highways; and

**BE IT FURTHER RESOLVED** that the Ontario Ministry of Transportation (MTO) communicates the strategy on mapping (detecting sites) and controlling invasive Phragmites on provincial highways, the specific highway management plans and results by each MTO region and each highway in the region and work in coordination with the Township of The Archipelago; and

**Attention: Premier Ford**

**RE: Support for Fire Departments**

At the Township of Hudson's Regular Meeting of Council held on Wednesday March 3<sup>rd</sup>, 2021, the following resolution 2021-049 was put forward and passed:

**WHEREAS** the role of Ontario's 441 fire departments and their approximate 30,000 full, part-time, and volunteer firefighters is to protect Ontarians and their property; and

**WHEREAS** according to the Ontario Fire Marshal and Emergency Management's latest data, in Ontario there was over 11,000 number of loss fires, 9,500 no loss fires, 784 injuries, 91 fatalities, and over \$820 million dollars of estimated loss in 2018; and

**WHEREAS** fire emergencies only make up a portion of the total calls for help received by fire and emergency service departments as they respond to nearly every public emergency, disaster, or 9-1-1 call; and

**WHEREAS** Ontario's fire department infrastructure deficit continues to grow annually and is almost entirely borne by the municipality and local taxpayers with the majority having populations under 25,000; and

**WHEREAS** due to antiquated structures and equipment that do not meet current industry standards the safety of the Ontario public and Ontario firefighters is being jeopardized;

**NOW THEREFORE** the Council of the Corporation of the Township of Hudson resolves as follows:

1. **THAT** the Federal and Provincial Government includes apparatuses, training, equipment and structures for fire departments as eligible categories to any further infrastructure programs which will not only provide immediate stimulus to the local, provincial and federal economies given current economic uncertainty but also ensure the safety of Canadians and dedicated firefighters; and

2. **THAT** this resolution be forwarded to the Honourable Doug Ford Premier of Ontario, the Honourable Steve Clark, Minister of Municipal Affairs and Housing, the Honourable Laurie Scott, Minister of Infrastructure, local MPP, local MP, the Ontario Fire Marshal, Jon Pegg, the Ontario Association of Fire Chiefs, and all Ontario Municipalities.

Please accept this for your consideration and any necessary action.

Dear Honorable Mr. Downey:

**Re: Lottery Licensing to Assist Small Organizations**

Small organizations are the foundation of rural Ontario. Thousands of hours of selfless volunteerism are logged each year by organizations who may not necessarily be considered not-for profit or charitable. That doesn't mean that they don't contribute to our communities; small organizations cook for the homeless, clean up parks and flower beds, read to young people, teach life skills to young adults, organize parades, put on concerts...the list goes on.

Many of these small organizations are not eligible to receive a lottery license. This makes it impossible for them to continue to be successful as their fundraising capabilities are extremely limited.

Through this correspondence, we request that you give serious consideration to instituting an additional level of lottery licensing which would enable small organizations to obtain a lottery license. Those who are not able to sustain a non-profit or charitable status could still receive a lottery license if their proceeds benefit the community. Thresholds could be placed on the prize values and perhaps even the number of events which could be held in a calendar year.

We hear over and over again about the hardships in our community and we know that there are organizations who have the ability to help and are not permitted to. Understanding this, Council adopted a resolution seeking your consideration.

**R-226-2021**

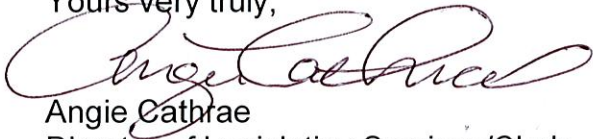

*It was **Moved** by J. Kirkland, **Seconded** by K. Durst and **Carried***

***That** staff are directed to contact the Ministry responsible for Alcohol and Gaming of Ontario to seek their assistance in implementing an additional level of licensing which would permit small organizations to hold fundraisers as a method of sustaining our community and organizations;*

***And further that*** all municipalities in Ontario are sent this resolution to seek their assistance in lobbying the Ministry.

We look forward to your consideration of our request.

**Re: Capital Gains Tax on Primary Residence**

The Municipal Council of the Town of Fort Erie at its meeting of May 31, 2021 passed the following resolution:

**Whereas** primary residences are currently exempt from a capital gains tax, and

**Whereas** currently secondary and additional non-primary properties are subject to capital gains, and

**Whereas** the Federal Government is currently looking into a primary residence capital gains tax as they have recognized that affordable housing has become a serious issue in Canada, and

**Whereas** smaller communities including the Town of Fort Erie are seeing unprecedented higher selling prices that are outpacing prices in larger cities, and

**Whereas** many hard-working Canadians who have only a primary residence with no additional non-primary homes count on their home equity as financial aid to apply to upsizing or downsizing their home depending on their personal situation, and

**Whereas** a change in taxation to primary residences would be a significant financial blow to Canadians and would create an unfair, two-tiered taxation which could lead to depleted savings, inter-generational disparities, disparities among diverse groups such as seniors who may have a significant portion of their savings vested in their primary residence, as well as, reducing the ability of home ownership thereby a further, higher need for rentals, and

**Whereas** the Federal government could look at other means to slow down the rapidly escalating housing costs to improve housing affordability;

**RE: SUPPORT FOR 988, A 3-DIGIT SUICIDE AND CRISIS PREVENTION HOTLINE**

I am writing to advise that at the Town Council meeting held on March 30, 2021, Council adopted a resolution endorsing the 988 crisis line initiative to ensure critical barriers are removed to those in a crisis and seeking help.

The resolution reads as follows:

*Whereas the Federal government has passed a motion to adopt 988, a National three-digit suicide and crisis hotline;*

*Whereas the ongoing COVID-19 pandemic has increased the demand for suicide prevention services by 200%;*

*Whereas existing suicide prevention hotlines require the user to remember a 10-digit number and go through directories or be placed on hold;*

*Whereas in 2022 the United States will have in place a national 988 crisis hotline;*

*Whereas the Town of Caledon recognized that it is a significant and important initiative to ensure critical barriers are removed to those in a crisis and seeking help;*

*Now therefore be it resolved that the Town of Caledon endorses this 988 crisis line initiative; and*

*That a letter demonstrating Caledon's support be sent to Kyle Seebach, MP, Dufferin-Caledon, the Honourable Sylvia Jones, MPP, Dufferin-Caledon, the Honourable Patty Hajdu, Federal Minister of Health, the Canadian Radio-television and Telecommunications (CRTC) and all municipalities in Ontario.*
