Schedule B to By-law 21-055

AMENDMENT TO THE CITY OF CAMBRIDGE ZONING BY-LAW**PURPOSE AND EFFECT**

The River Road Neighbourhood is located in the Hespeler community and is generally bounded by: Townline Road to the east; River Road and the Speed River to the west and north; and Melran Drive to the south. The River Road Secondary Plan area includes a series of lands along River Road between the Brewster Trail (Flynn Avenue) and River Road, to Townline Road and River Road. The total area of the Secondary Plan area is approximately 19.0 hectares (47 acres).

The River Road area is within the designated Urban Area in the City of Cambridge. The River Road Secondary Plan establishes a vision, principles and policies for the design and development of the River Road area. It also establishes the general land use patterns and conceptual location of community infrastructure such as parks and trails, roads, and services.

The purpose of the Zoning By-law Amendment is to implement the River Road Secondary Plan. New land use designations, specific to the River Road Secondary Plan area, are proposed including Village Residential and Neighbourhood Residential designations.

The subject lands are presently zoned R2 (Residential Type 2) and (H)R4 (Residential Type 4 with a Holding Zone) by the City of Cambridge Zoning By-law 150-85. A schedule showing the zoning is attached. The zoning will implement the proposed official plan amendments. The following zones are proposed: R2, R5 and RM4.
