

Mayor Kathryn McGarry

July 27, 2021

Being a Cambridge resident and active member of our community, I am hopeful that Council will pass a change to the terms of reference which would allow a non-Councillor to be elected as the chair or vice chair of the Cambridge Wellbeing Advisory Committee. I am in favour of Council passing this as soon as possible and believe this will go a long way in bringing about positive change and energy to this volunteer committee.

Kind Regards,

Brian Paul
