Mme Mayor, City Council, Ms Green,

Thanks again for the opportunity to speak before you this morning on this important matter.

In response to questions raised during our call, we wanted to confirm the following:

Presently, we operate our 2 plants (1139 and 1261 Industrial Road) from **6a.m. to 7:30p.m.**, **5 days a week**, but we can have trucking activity beyond those hours including **weekends**.

I confirm there are **no big stacks**, the noise we create through normal permitted industrial activity, like beeping forklifts and other vehicles, pressure release valves opening to release pressure, etc.. will remain.

We fill cylinders with industrial and medical grade gases like oxygen, nitrogen and propane..

We remain at your disposal to answer any other questions you may have..

Respectfully,

**Tom Stewart**
