

THE CORPORATION OF THE CITY OF CAMBRIDGE

By-law 23-012

Being a by-law to adopt Municipal Fees and Charges for 2023

WHEREAS a local municipality shall in each year prepare and adopt a Budget including estimates of all sums required during the year for the purposes of the municipality, pursuant to the Municipal Act, S.O. 2001, c. 25, Section 290;

WHEREAS pursuant to Section 69 of the Planning Act, R.S.O., 1990, Chap. P13, Council may, by by-law, prescribe a tariff of fees for the processing of applications made in respect of planning matters;

WHEREAS pursuant to section 7(1) of the *Building Code Act*, S.O. 1992, c.23, the council of a municipality may pass by-laws prescribing classes of permits and requiring the payment of fees on applications for and on the issuance of permits, requiring the payment of fees for maintenance inspections, and prescribing the amounts of the fees;

WHEREAS pursuant to section 7(2) of the *Building Code Act*, S.O. 1992, c.23, the total amount of the fees under clause (1)(c) shall not exceed the anticipated reasonable costs of the principal authority to administer and enforce the Act in its area of jurisdiction;

WHEREAS some of the municipal fees and charges are prescribed by by-law pursuant to the requirements of various statutes;

AND WHEREAS it is deemed advisable to adopt the municipal fees and charges, pursuant to the Municipal Act, S.O. 201, c. 25, Section 391,

NOW THEREFORE BE IT RESOLVED THAT the Corporation of the City of Cambridge enacts as follows:

1. **THAT** the 2023 Municipal Fees and Charges as set out in Schedule 'A' attached to and forming part of this by-law are hereby adopted.
2. **THAT** the fees and charges for 2023 as set forth in the Schedule hereto shall come into effect on the date or dates as specified within the Schedule, unless no effective date is noted in which case they shall be in full force and effect immediately following their passage by Council.
3. **THAT** all fees and charges imposed by this by-law, including all fees and charges outlined in Schedule 'A' to this by-law, are subject to applicable taxes, with the fees and charges identified in Schedule 'A' being exclusive of applicable taxes unless otherwise indicated.
4. **THAT** interest for unpaid accounts owing for fees and charges will be charged in accordance with applicable approved corporate policy.

5. **THAT** all unpaid fees or charges imposed by this By-law on a person constitute a debt of the person to the municipality.
6. **THAT** where all or part of a fee or charge imposed by this By-law remains unpaid, such fee or charge may be added to the tax roll for the following property and collected in the same manner as municipal taxes:
 - a. in the case of a fee or charge for the supply of a service or thing to a property, the property to which the service or thing was supplied;
 - b. in all other cases, any property for which all of the owners are responsible for payment of the fee or charge.
7. **THAT** in addition to the other clauses of this by-law, the following paragraphs also apply to Clerk's Services fees as defined in this by-law:
 - a. **THAT** the fee for second and subsequent occurrence be applied to all orders where the municipal by-law compliance division has confirmed a by-law violation on the same property, when there has been no change in property ownership within a 12-month period.
8. **THAT** in addition to the other clauses of this by-law, the following paragraphs also apply to Fire Services fees as defined in this by-law:
 - a. **THAT** the fee prescribed for false alarms be imposed on activated false alarms caused by equipment malfunction, improper installation, inadequate maintenance, and maliciousness or a lack of control over reporting processes when maintenance is being conducted. False alarms, for the purpose of this by-law, means the activation of a fire alarm or emergency system which occurs without just cause, including where there is no fire, carbon monoxide or other emergency situation. This fee shall be administered as follows:
 - i. Where the fire department responds on more than two (2) occasions within the same month to any premise within the City of Cambridge for a false alarm, no fees will be imposed for the first and second offence, however, the fee will be imposed for each subsequent false alarm occurrence within the same month unless there is work being done on the system and the owner has notified Cambridge Fire Department.
 - ii. The fire department shall charge a property owner the False Alarm Fee stipulated in this by-law if upon attending a property on more than two (2) occasions in response to the activation of a fire alarm or emergency system it is determined that it was a false alarm.

- iii. Where a false alarm is triggered as a result of work being conducted on a fire alarm or emergency system and the fire department attend at the property in response to the activation of a false alarm on more than two (2) occasions, the property owner shall be charged the False Alarm Fee stipulated in this by-law, unless the property owner notified the Cambridge Fire Department in advance of the work that was being conducted.
- b. **THAT** where the fire department responds to an open air burning incident (including discharge of fireworks or other inappropriate fire setting) being conducted without a permit, or in violation of the conditions of the permit, or when a person has failed to call back to acknowledge the fire has been extinguished, or who fails to extinguish a fire once direction to do so has been given by the Fire Chief, or designate, the full costs of apparatus response extinguishment, including labour costs and equipment costs as determined by the Fire Chief, may be charged to the property owner and/or permit holder.
- c. **THAT** where the fire department responds to any specialized or technical (including but not limited to water, ice, rope, confined space) rescue incident where any person(s) has engaged in any hazardous activity, approved recreational or otherwise, the full costs of apparatus response, including labour, equipment, and other incurred contracted services or costs as determined by the Fire Chief, or designate, may be charged to the property owner and/or permit holder, or person(s) engaged in said activity that required or caused emergency rescue and/or response.
- d. **THAT** where the fire department responds to any motor vehicle collision for non-residents, the full costs of apparatus response, including labour, equipment, and other incurred contracted services or costs as determined by the Fire Chief, or designate, may be charged to the vehicle owner or person(s) engaged in and/or responsible for the actions that required fire or emergency rescue and/or response.
- e. **THAT** where the fire department responds to any fire or emergency response incident (including but not limited to motor vehicle incidents, technical rescue, etc.) on provincial or federal lands located within the geographical area of the City, the full costs of apparatus response, including labour, equipment, and other incurred contracted services or costs as determined by the Fire Chief, or designate, or via established service agreements, may be charged to the property owner or person(s) engaged in and/or responsible for the actions that required fire or emergency rescue and/or response.

- f. **THAT** where the fire department responds to any fire or emergency response incident (including but not limited to request for assistance, unknown odors, check calls etc.) where a Carbon Monoxide Alarm and/or Smoke Alarm are provided or installed for the Owner / Occupant to ensure compliance with the Fire Protection and Prevention Act, 1997 the cost of these materials shall be invoiced to the property owner, tenant or carrier as the case may be.
- g. **THAT** in accordance with the City of Cambridge Fire Department Establishing & Regulating Bylaw (as amended), if as a result of a fire department response to a fire or emergency incident, the Fire Chief, or designate, determines that it is necessary to incur additional expenses, retain a private contractor, rent special equipment not normally carried on a fire apparatus or use more materials than are carried on a fire apparatus (the "Additional Service") in order to suppress or extinguish a fire, preserve property, prevent a fire from spreading, control and eliminate an emergency, carry out or prevent damage to equipment owned by or contracted by the Corporation, assist in or otherwise conduct fire cause investigation or determination or otherwise carry out the duties and functions of the fire department and/or to generally make "safe" an incident or property, the owner of the property requiring or causing the need for the Additional Service or expense shall be charged the full costs to provide the Additional Service including all applicable taxes. Property shall mean personal and real property.
- h. **THAT** where in the presence of new information or evidence (for current or previously implemented cost for recovery mechanisms) for the fire department emergency and rescue response (or any "Additional or other service") provides for reconsideration of said cost recovery, the Fire Chief, in consultation with the Chief Financial Officer / City Treasurer, has the authority to amend or waive costs dependent upon the circumstances surrounding the particular emergency response or fire and life safety complaint investigation.
- i. **THAT** nothing in this by-law prohibits the enforcement provisions of the Fire Protection and Prevention Act and its regulations from being implemented where, in the opinion of an Assistant to the Fire Marshal, such circumstances warrant.
- j. **THAT** where the fire department responds to any incident involving hazardous materials or dangerous goods and any specialized "consumable" equipment is utilized in the response or mitigation of the incident, or specialized equipment is irreparably damaged, 100% of the cost of replacement for these materials and/or equipment shall be invoiced to the property owner, tenant or carrier as the case may be.

9. **THAT** in addition to the other clauses of this by-law, the following paragraphs also apply to Recreation Facility Rentals, Recreation Programs and Farmers' Market fees as defined in this by-law:
- a. **THAT** the Director, Recreation & Culture or designate, in consultation with the Chief Financial Officer or designate, be authorized to prorate program fees for variations in program lengths, determine appropriate age ranges for programs, and timelines associated with cancellation fee charges referencing industry best practices in these areas.
 - b. **THAT** the Director, Recreation & Culture or designate be authorized to offer passes/coupons or a fee waiver associated with the following circumstances:
 - i. To promote/market a specific program to a targeted audience
 - ii. To promote activities associated with unique events or proclamations (e.g., June is Recreation and Parks Month)
 - iii. To reduce or waive fees when a customer's expectations have-not been met
 - c. **THAT** the Director, Recreation & Culture or designate, in consultation with the Chief Financial Officer or designate, be authorized to establish program fees for new or modified programs in accordance with the policy framework for establishing fees for Community Services programs and facility rentals.
10. **THAT** If a Court of competent jurisdiction should declare any section or part of a section of this by-law to be invalid, such section or part of a section shall not be construed as having persuaded or influenced Council to pass the remainder of this by-law and it is hereby declared that the remainder of this by-law shall be valid and shall remain in full force and effect;
11. **THAT** by-law 21-087, as amended, be repealed effective February X, 2023;
12. **AND THAT** this by-law shall come into full force on the date of its passage.

Enacted and Passed this X day of February, 2023.
