### **a) Staffing Update**

Shane Taylor announced that he has accepted a 14 month secondment with Parks and will no longer be attending CCTAC meetings. The City is currently hiring for a temporary Landscape Architect to cover his position. Shane's new position will be Project Lead – Recreation Services, where he will focus on large capital projects such as the Fountain St Soccer Fields, Preston Auditorium Expansion, and Multiplex. The committee wished him well on his new position and thanked him for the incredible mark he's left on City trails.

### **a) Work Plan for 2021(continued)**

The committee continued discussing some event ideas for the summer. Victoria, Chris and Stephanie all volunteered to be part of the sub-committee and bring something back to the next meeting.

**Action:** Lisa to set up sub-committee meetings

### **a) Review of Regional ATAC minutes/agenda**

The committee discussed the disconnect between the Regional and City committees. CCTAC would like to be more involved in ATAC to ensure our priorities line up and Cambridge has a voice. Lisa will circulate ATAC meeting agendas/minutes as they come out for CCTAC to review. If there are any items CCTAC is interested in, we can put it on the CCTAC agenda, or someone from CCTAC can request to listen in on the ATAC meeting and report back.

**Action:** Lisa to discuss with Kevan Marshall this process and to find out if ATAC currently has Cambridge representation.

## **6. Other News/Business**

a) Hespeler Trail public engagement: <https://www.engagewr.ca/hespeler-trail>
