**Subject:** [External] question for live planning meeting 895 Riverbank development  
**Date:** Tuesday, November 21, 2023 7:54:17 PM

---

What kind of precedents are there for pre post testing of well, property erosion, overland flood and vibration impacts in developments such as these in the Waterloo Region? What response can existing Riverbank residents expect from the city and Madison to review such events?  
Jane Fridrich [REDACTED]
