## **Surrounding Land Uses**

The lands to the north and east of the property generally contain industrial uses. The lands to the south generally contain residential uses and the lands to the west generally contain commercial uses.

## **EXISTING POLICY / BY-LAW(S):**

### **Cambridge Official Plan, 2012, as amended.**

The City of Cambridge Official Plan includes policy that states that the City will prepare secondary plans to “ensure development occurs at the densities and form consistent with the Official Plan. More detailed analysis is provided in report 23-261-CD in Appendix B.

## **ANALYSIS:**

Staff met with the owner of 840 and 940 Main Street and 0 Franklin Boulevard and their agents to discuss Council direction and to propose a revision to the site specific official plan policy proposed for their property. Staff have proposed an increase in the maximum permitted height to 20 storeys as well as to redesignate the future development block at the northwest corner of the property to High Density Residential with a reduction in the minimum required height, from ten storeys to eight storeys, in consideration of their existing development proposal for the property.

The site specific wording includes a provision requiring a noise study to demonstrate that future development could appropriately mitigate against the existing industrial operations immediately to the north of the subject lands. The applicant is not currently proposing development at 20 storeys in height so any future redevelopment of the lands would require a noise study to support the proposal.

Official Plan Amendment No. 65 (OPA No. 65), as amended, has been prepared in accordance with the Planning Act and generally aligns with the policies of the Cambridge Official Plan, the Region of Waterloo Official Plan, the 2020 Provincial Policy Statement and the 2020 Growth Plan for the Greater Golden Horseshoe.

Accordingly, staff recommend adoption of OPA No. 65 to facilitate addition of the Main Street and Dundas Street South Secondary Plan as Chapter 20 to the Cambridge Official Plan along with accompanying schedule and OP policy changes to Chapters 1, 8, 13 and 16.

Planning decisions are subject to appeal to the Ontario Land Tribunal (OLT), subject to the provisions of the Planning Act, as amended.
